What is the Association?

The Association was formed in 2001 to work towards improving and preserving the riding available in Penwith.

The Association is affiliated to the British Horse Society.

Why should you join

- To support the unpaid voluntary work done on behalf of all riders
- The more members we have the stronger our voice in lobbying and working in partnership with the County Council, Parish Councils and landowners
- To receive our full colour newsletter keeping you informed on local rights of way issues and news of the work being done or about to be done on our bridleways and riding routes.
- To improve and preserve the paths and bridleways we rely on

Remember that:

- Traffic is getting busier, faster and consequently more dangerous.
- We need more access to off-road riding.
- We need to preserve the routes we ride, 50% of which are not protected in law

Our Association works in partnership with the British Horse Society, Cornwall County Council, and Penwith District Council in improving access to the countryside.

We do need your support.
